

# QUIZ NEWSLETTER 2009

**T**he Quiz committee has made the following changes and clarifications for the 2009 competition year:

- 1) The age limit for individuals planning to compete at Championships will be 21 instead of 25 years of age. At the Regional competition there is no age restriction.
- 2) Because of the Specialty ratings, the classroom questions for the C-3 and above competitors will be determined by the competitors' highest Horse Management rating. For example: even though a competitor is a C+, s/he would be given a C-2 question and a B would be asked H-B questions. D-2 – C-2 competitors will be judged at their rating.
- 3) On page 19 of the Quiz Organizer's Guide, the 'Name the Liquid' station will be eliminated from competitions for safety reasons.
- 4) The resources list has been updated with two new books. In addition, while it still lists several books that are unavailable, they will remain in the resource list until we find replacements. Check the Quiz website for changes and updates
